

SMOKE ALARM

BATTERY POWERED RF

BATTERY POWERED SMOKE ALARM

10YR RF MODEL

Emerald's Battery Powered RF Smoke Alarm is powered by a 10 year non-replaceable lithium battery.

The alarm is fitted with a test/hush/silence button to facilitate testing of the alarm. The silence function also allows the alarm and alarm system to be silenced in the case of a false alarm.

This alarm can be used as a stand-alone alarm or can be connected with up to 40 alarms. This allows all smoke alarms connected to activate simultaneously.

Compatible with Emerald's radio frequency (RF) enabled products.

FEATURES
